ACTING PROJECT MANAGERS REPORT – Nat Hickey

Mr. Hickey reported that all deeds for the transfer of Trico properties on hand, subject to approval of the Board.
Upon action by the Board, subject deeds will be filed and EDC can take possession of the old Trico Property and continue demolition, completion of bulkhead and preparation for staging area.
There are 13 projects to be completed or begun on the marina project. These are projects identified in the $6,000,000 original project, with the exception of the sprinkler system in the dry stack building. He reported the completed projects in project #. He also recommended a budget workshop be called for 2009 to determine, if possible, a realistic figure for the completion of the marina project. Also awaiting written documentation of agreement with the Gore's.

PROJECT ENGINEERS REPORT – Rene Damian

Rene reported that demolition was waiting on the transfer of property from Trico to City/EDC, it would take approximately 30 days to demo, and the demo included the docks. Forbes to demo and finish the bulkhead. HL&P and Centerpoint were to disconnect the utilities.
