Did you know?

- ▶▶ If your pet is brought to the shelter and is wearing the license tag, shelter personnel will make every attempt to contact you.
- ▶▶ Licensed pets that are brought to the shelter are held five days so owners and pets can be reunited, instead of the legally mandated three days. When you pick up your pet, the redemption fees charged are much lower than for unlicensed pets.
- ▶▶ Pets wearing a license tag have a much greater likelihood of being reunited with their owners.
