

# Freeport Police Department

## COMPLIMENT A MEMBER OF OUR STAFF

It is important to the Freeport Police Department to recognize staff members when they represent the department's mission and core values. Often times, people only hear when they do wrong. It is important to us for our employees to hear when they did it right. If someone treated you good, went above and beyond or handled a situation better than most, let us know. We would love to recognize them for their service.

If a person does not want to complete a written compliment, they can ask to meet with any supervisor, up to the Chief of Police, to express gratitude. This contact can be in person, by calling the Freeport Police Department's Dispatch Center 979-239-1211 or through email at FreeportPD@Freeport.Tx.Us

Complete the following and give to the Dispatcher, any Officer or any Supervisor to have an employee recognized. Thank you.
