

Brooks Bass
Mayor

Tim Kelty
City Manager

CHEMICAL RELEASE WARNING

A chemical leak occurred at Mineral Research this morning. Emergency responders are on site and have determined the potential for a airborne plume they could be hazardous.

The potential area of affect is limited to areas east of State Highway 1495 south of the Old Brazosport River, and Quintana. Officials are recommending a shelter in place for that area. Please take any protective actions necessary, and stay tuned for additional information.

We will keep you informed through Everbridge Citizen Alert, Facebook and our website, www.freeport.tx.us.

Sincerely,

City of Freeport
