

**2300 ACRES AVAILABLE. WHY TAKE 100 ACRES FROM FREEPORT RESIDENTS?**

*“Port Freeport has the capability to provide warehousing and open storage for all types of cargo. Port Freeport has over 500 acres of environmentally mitigated property that is ready for development and strategically located adjacent to the Ports main terminals. The Port has over 1,000 additional acres of property to support future growth and development” - Port of Freeport*
